

Dearest St. Luke Parents,

This time of year tends to be one in which we reflect on all the past year has brought us, the good, the not so good, and the unexpected that turn out to be blessings. This is certainly the case for me, with my biggest blessing being the opportunity to serve St. Luke School during the not so good, Covid lock down. I thank you all for your support and trusting that together we will get through Covid and continue to build and grow the St. Luke Community.

During the seasons of Advent and Christmas, I invite us all to continue reflection on our blessings and the presence of God manifested in each of us. Pope Benedict XVI said, *“Joy is the true gift of Christmas, and we can communicate this joy simply: with a smile, a kind gesture, a little help, forgiveness. And the joy we give will certainly come back to us.”* I pray this season your family is filled with the truest joy that comes with sharing time with our loved ones.

From all of us at St. Luke Catholic School, A Notre Dame ACE Academy, Merry Christmas and may the New Year bring even more blessings.

Your partner in faith and education.
