An interesting and challenging experience awaits you as a student or parent of the school. To answer some of your questions concerning the school's policies, the school has prepared this Parent-Student Handbook. Please read it thoroughly and retain it for future reference. The policies stated in this handbook are only guidelines and are subject to change at the sole discretion of the school, as are all other policies, procedures, or programs of the school. From time to time, you may receive updated information concerning changes in policy. However, the school has the right to add, delete or revise any school policy or procedure with or without notice. This handbook is not a contract, express or implied, and none of the policies or provisions should be construed as such. If you have any questions about the school's policies, please ask the principal for assistance.

MISSION STATEMENT

St. Luke Catholic School, a Notre Dame ACE Academy, seeks to provide a Catholic education of the highest quality to as many children as possible.

VISION

The SLCS vision is to serve families as one of the nation's premier network of academically excellent, financially sustainable, and distinctively Catholic PreK-8 schools, as we prepare students for both college and heaven.

GOALS

St. Luke School's goals are: **College and Heaven**

BELIEF STATEMENTS

Learn – Prayer - Act

We believe we are always learning.

We believe effort unlocks potential.

We believe excellence happens on purpose.

ACCREDITATION

St. Luke Catholic School is proud to be fully accredited by the Florida Catholic Conference. The Florida Catholic Conference Accreditation Program (FCCAP) serves as the accrediting agency for Catholic schools (Pre-K to 8th Grade) in the State of Florida and southern Georgia. The Conference is a charter member of both the National Council for Private School Accreditation (NCPSA) and the Florida Association of Academic Nonpublic Schools (FAANS). In obtaining this accreditation, we have exceeded the standards of the state. We are being recognized for our efforts to go beyond what is simply required and create a higher set of standards for our students within the Catholic schools of the Diocese of Palm Beach.

ACTIVITIES/ATHLETICS

Extra-curricular sports activities are an important part of our school program. Sports activities are structured to encourage participation by all students and are designed to develop physical capabilities, maintain good health, and develop individual and team sportsmanship, conduct, and attitudes. St. Luke offers a variety of activities/athletics for students to participate in throughout the school year. The administration reserves the right to withdraw from any activity any student that forfeits his/her right to represent St. Luke because of poor attitude, poor behavior, or lack of academic effort.

ALL SLCS **middle** school students are required to participate in at least 1 after school program offered. That program could be any sport team, St. Luke Band Program, and/or school choir or club. Students are to participate fully in whichever activity is selected.

All students must have a current physical form on file in the school office to participate in extracurricular sports activities under the St. Luke Catholic School name.

Parents acknowledge that participation in these sports, activities, or clubs may be inherently dangerous and the school cannot ensure the safety of all students involved in its activities and programs. Prior to participation in any sport, each student must complete the Parent Consent and Release of Liability form and a physician's certificate to the effect that the student is physically fit for participation in the sport. Participation includes pre-season conditioning, open gym, tryouts and practice. **Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Diocese of Palm Beach, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to participation in any sports, leagues, clubs, activities or volunteer service-hour programs.**

The school is not responsible for student participation in any sports, leagues or clubs not identified. Parents hereby acknowledge that students who participate in any such program or activity do so at their own risk. Parents further acknowledge that the school does not control or sanction any such program or activity and that it shall not be held liable for any injuries or damages sustained by students or others arising from participation in such program or activities.

Entrance Priorities

The following are guidelines for admission to St. Luke Catholic School based on the available space within a classroom:

1. Active parishioners with children enrolled in St. Luke Catholic School or parish families with the oldest child entering Kindergarten.
2. Catholic families transferring into St. Luke Parish with children presently enrolled in a Catholic school.
3. Active parishioners with school age children not presently enrolled.
4. Non-parishioner from neighboring or other parish in the Palm Beach Area.
5. Non-Catholic students.

* In order to be given “active parishioner” status regarding tuition at SLCS, parents are required to be registered and practice their faith. It is the individual families’ responsibility to make sure they submit the appropriate Parish form (in the registration packet) to their home parish, have it completed and returned to St. Luke. This includes those who are registered at St. Luke. Each Pastor must sign the form in order to receive the Catholic Discount Rate. Again, **it is up to each family to meet their home parish’s criteria**. If we do not receive the signed form by July 1st, the Catholic Discount Rate will not be awarded and the additional payment will be added to your tuition. This is important to receive the support from the parishes without schools.*

Parents/guardians of all minor children must present a record provided by a licensed physician or public health authority that clearly indicates (Blue & Gold forms):

1. Which immunizations have been received?
2. The dates they were administered; and
3. The signature or stamp of the physician or public health clinic that administered the immunizations or interpreted the child's immunization history

The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

CLASSWORK AND HOMEWORK

Classwork is defined as any assignment that is presented and worked on during class time. Classwork must be made up immediately following an absence within a time set by the individual teacher. All homework and grades are posted in the family portal on <https://factsmgt.com>

The purpose of homework assignments is:

1. To reinforce the material learned in school.
2. To deepen knowledge of a subject by long range reading, projects and research.
3. To develop initiative, independent thinking, and responsibility for completing school assignments.

Homework is typically assigned nightly. There may be circumstances where students will study for assessments or complete projects on the weekend. Time spent on homework can vary by grade level. Below is an average number of minutes by grade:

Grades PreK-2	10-30 minutes
Grades 3-5	30-60 minutes
Grades 6-8	60-80 minutes

*Students should also participate in reading every night for at least 20 minutes.

Completing Work When Absent

Students will usually be given the number of days that they were on an excused absence to make up work. For example if a student is out two days she/he will get two days to make up her/his work. If assignments are late due to an unexcused absence, no grade higher than a "C" can be earned. Students who are absent at the time classroom tests are given can expect to take the test when they return. Students in grades three through eight who are absent are responsible to come to their teacher to get the work they missed. If a parent wants to pick up her/his child's work after school, she/he must notify the office by noon or email the teacher. This will give the teacher sufficient time to gather the work. Teachers are not required to give make-up tests or assignments for absences due to

vacations. No assignments will be given in anticipation of the vacation. Each teacher, with the principal's approval, establishes a written procedure regarding class work, homework, late work and "no name papers." Parents will receive a copy of the procedure to read and sign. Teachers will inform their students of the procedure and discuss it with them.

If a child is out of school, daily work and assignments may be accessed in the family portal in FACTS.

CONFERENCES

Teachers and the administration are ready to help parents resolve any issues they may have. Concerns should always be handled at the most immediate level first. Academic and behavioral concerns should first be discussed with the teacher. The teacher knows the child and the specific situation and has a much better chance of providing a rapid and appropriate answer if contacted first. If such attempts have failed, the principal should then be contacted.

Parents wishing to contact a teacher may do so in one of three ways. Parents are always encouraged to send a note with their child to a teacher asking for information or requesting an appointment. Parents may also email the teacher or phone the office and ask the secretary to place a note in a teacher's mailbox. Teachers will return phone calls, or provide an answering note as soon as possible.

Parents wishing to contact the administration should phone the office or send an email. If the administration is available, a conversation is immediately possible. If not, please leave a number where you can be reached during the school day.

The principal is always available for appointments to answer general questions and to discuss the general nature of the school, its mission, and its concern for children. Frequent consultation with teachers is encouraged. All such meetings should be arranged by appointment with the teacher. Teachers need at least twenty-four hours notice when a conference is desired.

Transgression of this rule will result in disciplinary action, which may include expulsion from the school, even for a first offense.

Any student selling drugs on school property or at school functions may be immediately expelled.

The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse. It may also involve the use of drug dogs and other methods in the discretion of the school administration which seek to deter the use and/or distribution of illegal drugs or alcohol.

If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school-related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in expulsion from the school.

At times, the school may choose to conduct random drug testing of the student body at the parents' expense.

A school may conduct random searches as set forth in this handbook.

EARLY DISMISSAL

FINANCIAL OBLIGATIONS

Registration

A non-refundable registration fee of \$250 is due for each student at registration time. This fee holds your child's enrollment for the coming year. This fee must be received to ensure enrollment. A tuition contract is required for all families enrolled as well as a parish commitment form. If the parish commitment form does not meet the level of your parish requirement, you will receive a letter indicating that and subject to additional fees for non-Catholic students.

Tuition

Tuition is due the first of each month or according to the payment plan preselected. SLCS uses FACTS Tuition Management System for the collection of tuition. FACTS requires a one time fee to provide this monthly service. Late payments and return checks will have an assessment that will be applied when applicable. Payment plans are available as well as a service fee to those plans.

Outstanding Obligations

Financial Obligations

The satisfaction of all financial obligations to the school, including tuition and fees, constitutes a material condition for continued enrollment in the school. The school may disallow students from taking quarterly, semester, or final examinations if the parents or legal guardians fail to meet any financial obligation to the school. In addition, the school may withhold the issuance of transcripts or any other student records and/or disallow participation in or access to school activities, and/or disenroll the student if any financial obligations are not met.

In the event of a natural disaster, disease outbreak, or any other circumstances which in the judgement of the school administration make it unfeasible, unsafe or otherwise imprudent to continue campus-based education, school educational programs shall resume as soon as practical by oway of distance learning and/or other methods adopted by the school administration and faculty. Due to the school's continuing financial obligations related to its operations, there will be no suspension, reduction, ore refund of tuition in these circumstances.

Step Up for Students

SLCS has been approved to participate in the Step Up for Students Scholarship Program, which is available to families in financial need from the State of Florida. To apply and see if you qualify for this scholarship simply visit www.stepupforstudents.org.

FACTS Tuition Assistance

SLCS has retained the FACTS Tuition Assistance for families as an option to apply for financial assistance. Families who have a financial need can apply online. The company will review applications and send the school a recommendation for tuition assistance. Families must submit a new application annually. To apply online go to www.factstuitionaid.com.

FUNDRAISING

No student may solicit funds in the school's name unless such solicitation has been authorized in writing by the principal.

GRADING

The following grading scale is used to identify student mastery levels of skills and knowledge. It is used on daily assignments, tests, and report cards beginning in the second semester of first grade through eighth grade.

A+	(100% - 98%)	C+	(79%-77%)
A	(97% - 94%)	C	(76%-74%)
A-	(93% - 90%)	C-	(74%-70%)
B+	(89% - 87%)	D+	(69%-67%)
B	(86%- 84%).	D	(66%-64%)

B- (83%-80%) D- (63%-60%)
F (59% or Below)

SLCS has implemented the grading scale for our Developmental Primary Program:

O Outstanding
G Good
S Satisfactory
I Improvement Needed
U Unsatisfactory

Letter grades are not necessarily given on every assignment, but the percentages are computed according to the above scale.

A section for general conduct has been added for Middle School (only) and is awarded through an average attained by administration and faculty.

HARASSMENT AND DISCRIMINATION

The school is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of

Schools of the Diocese of Palm Beach. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

HONOR ROLL

Students who take their academic responsibilities seriously and achieve superior grades will be recognized with appropriate awards and honors.

Honor Roll Criteria

- 1st Honors: 90's and above with meets or exceeds expectations for behavior
- 2nd Honors: 80's and above with meets or exceeds expectations for behavior

- Honor students will be recognized each quarter during Mass

Non-fulfillment of academic expectations

1. Academic misconduct (i.e. failure to turn in homework, being unprepared for class, etc.) will be treated as an academic issue. Consequences will be appropriate to the conduct and will be determined and enforced by the teacher. The individual teachers will inform students and parents of academic expectations and the consequences of not meeting those expectations. 2. Continued failure to perform academically will result in a principal, teacher, parent and student conference to determine action to help the student improve.

ILLNESS/MEDICATION

The school does not have a resident nurse on staff.

If a student has a medical problem, he or she is referred to the clinic. Unless the student has a fever, vomiting, diarrhea, or an emergency condition, the school's policy is to encourage the student to return to class. If a student goes home due to fever, vomiting, or diarrhea, they must be symptom free for 24 hours before returning to school. When major

medical care is needed, the parent or guardian is notified, and their instructions are followed. If a true medical emergency occurs, the parent is immediately notified along with a call to 911. When an accident occurs on campus or a school sponsored activity, an accident report will be filed.

Illness

Parents/guardians should notify the school in writing if their child has temporary or permanent health problems. Parents/guardians are requested to inform the school of the condition after the advice of the family physician has been obtained. Please refrain from requesting that a student be kept indoors during lunch, as it is difficult to supervise the student.

Any student who is liable to transmit a contagious disease through day-to-day contact (such as measles, chicken pox, tuberculosis, pink eye, or head lice) shall not be permitted at school or school sponsored activities as long as the possibility of contagion exists.

Students who are ill should not be sent to school. When a student has been ill with a fever, he/she shall not return to school until the body temperature has been normal for at least 24 hours (no fever reducing drug should need to be administered during this time). Students need to be on an antibiotic for a full 24 hours before returning to school from a contagious disease.

Should a student become ill during the day, office personnel will contact the student's parent/guardian. The parent/guardian will sign out the student for early dismissal in the main office. In some specific health situations, (i.e. infectious diseases or head lice) the school may set criteria for school re-admission. Before any child prohibited from attending school due to head lice may reenter school, certification from a health professional, shall be presented to the appropriate school authorities, certifying that the child is no longer afflicted with head lice.

Medication Guidelines

Except as authorized by the school, students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a

health institution is a parental responsibility and should only be delegated to school personnel when necessary and authorized by the school. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary will the school allow the administration of medication on campus, and only under the following guidelines:

- 1. An authorization form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.**
- 2. Medications to be dispensed at school should be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label.**
- 3. While the school may monitor a student taking the medication, the school will not remind students to come and take their medication.**

Exceptions to this policy may be made for the use, supply and administration of an epinephrine auto-injection (EpiPen), or as otherwise authorized in writing by the school. In particular circumstances, the school may agree to administer medication or otherwise provide health care interventions that go beyond a minor adjustment for a particular student. In those cases, Parents hereby release the school, the Diocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of those health care interventions that are beyond minor adjustments.

Emergency Care

If a student becomes ill or has an accident at school, school personnel will provide first aid and attempt to notify the parent/guardian as soon as possible. In an extreme emergency AND/OR if the school cannot reach the parent/guardian, EMSA or other emergency medical services may be called. Expenses for emergency care will be directed to the parent/guardian if a student is seriously injured in an accident or becomes seriously ill at school. Parents/guardians should notify the school of work and home telephone number changes to avoid delays in contacting them for emergencies.

Every student is required to have emergency information on file in the school office. This information should include parent/guardian work numbers, as well as the name,

telephone number, and relationship of two people who can be contacted if the parent/guardian cannot be reached. **It is the parent's/guardian's responsibility to keep this information updated.**

Insurance is offered for the protection of your children. This school insurance is required by the Diocese and is included in the registration fee.

Emergency Information

Every parent is asked to fill out emergency health information in the family portal in the FACTS student information system. Provided information will be used as the need arises. Any changes in address or phone numbers should be reported to the school. Parents will be asked to indicate any of the child's disorders, physical handicaps, allergies and any special medications that would enable the school to better handle any emergencies that may arise. It is important that we have a current phone number where you can be reached during the day and an emergency contact in case we are unable to reach you. Please include all business and cellular numbers. You must notify the school if these numbers change during the school year.

IMMUNIZATIONS

Immunizations

The Diocese of Palm Beach requires that, prior to attendance in school, each student present or have on file with the school a certificate of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health. A Florida Certificate of Immunization (Form DH 680) completed by a health care provider participating in Florida Shots is required to document the administration of prescribed immunization doses or to document a permanent or temporary exemption therefrom. An exemption from immunization requirements is permissible only with a physician's certification as to the need for either a temporary or permanent medical exemption. An exemption from immunization requirements is not permissible for religious, philosophical, personal, or other reasons.

HOME AND SCHOOL ASSOCIATION (HSA)

One of the primary purposes of the Home & School Association is to provide a forum in which open communication within the school community can be fostered. The HSA offers parents an excellent opportunity to learn more about all phases of the curricular and extra-curricular activities of SLCS. It is vital that all parents participate actively in this organization so that both home and school are united in their efforts to further the development of each individual student.

LIBRARY/MEDIA CENTER

SLCS has a media center and collection of print and non-print instruction/learning materials. The print and non-print educational media materials are available to meet varied needs and to stimulate the interest of the students and staff of the school.

Library materials are to be returned on time and in good condition. The student must pay for damaged or lost books before any other material may be checked out. Students with lost or damaged books do not receive quarterly report cards until their account is cleared.

Students are expected to adhere to all Library/Media Center rules and regulations. The library is a place of study and research, and as such, all users should be respectful of one another's time and work.

LOST AND FOUND

Items turned into the school office or the Lost and Found box will usually be disposed of at the end of each quarter. Parents are encouraged to mark the student's name on all articles of clothing and supplies. Students are reminded to check the Lost and Found box every few weeks to see if their misplaced property has been placed there.

LUNCH

To promote good eating habits and manners, the cafeteria is considered a classroom. A balanced nutritious lunch is served daily in the cafeteria. Students in Prek3 through eighth grades are provided with a hot lunch each day. No lunches permitted to be brought to school.

All students should observe the following procedures and rules:

- Students can purchase ice cream.
- No gum is allowed.

- Improper behavior, such as loud talking or laughing, running, crowding or pushing is unacceptable.
- Students will clean their table and floor area before being dismissed.

NATIONAL ACHIEVEMENT TEST

A Standard Achievement Test (Terra Nova) is administered to students in grades 2-8 each year. The results of these standardized tests are sent to parents. These tests inform you of your student's performance in relation to the national performance of students at the same age and grade level.

Measures of Academic Progress (MAP) Test is administered to students in grades K-8 three times per year (Fall, Winter, Spring). These tests inform teachers, parents, and administrators so that student learning can be improved. Results of this assessment helps to make academic decisions to promote academic growth.

NATIONAL JUNIOR HONOR SOCIETY

The National Junior Honor Society is open to seventh and eighth grade students:

- Students must have attended the school for the equivalent of one semester.
- Students must have a 3.3 cumulative GPA with no F's for that same semester, no 4's in conduct and effort and a maximum of two 3's per quarter in conduct and effort.
- Students who do not maintain a 3.3 cumulative GPA with no D's or lower in any class will be placed on probation for one quarter. Loss of membership may occur if there is no improvement.
- An Eligibility Packet consisting of an NJHS Survey will be given to all 7th and 8th grade students who meet the criteria.
- Students who are eligible must include in their completed packets a letter from an adult attesting to their character. This can be a pastor, coach, scout leader, etc. It cannot be from a family member or a school teacher or staff member.

- Students will use the NJHS Survey to document their leadership, citizenship, and service. There must be a signature from the adult or leader attesting to the service, leadership, or citizenship. None of these areas can be from a family member.
- All documents must be submitted by the date selected by the NJHS moderator. Any documents turned in late will not be considered.
- A faculty council will be selected by the principal. The council will review all the necessary documentation. A candidate must receive a majority vote of the council to be inducted into the National Junior Honor Society. The faculty may provide information to the Faculty Council for consideration during the selection process.
- A list of all candidates that are selected for induction and those who are not will be submitted to the principal prior to notification of the candidates.
- Students who are not selected will meet with the faculty moderator. The moderator will explain to the candidate why he or she was not selected and explain where the candidate needs to improve to be considered in the future.
- No quota or percentages of members per class will be established.
- Once a student has been accepted into the National Junior Society, administration reserves the right to put that student on probation for academic and/or behavioral issues subsequent to induction into NJHS. Once the student has shown improvement in behavior and/or academics, his or her probation may be removed. If no improvement has been made, the student could be permanently removed from NJHS.

NON-DISCRIMINATION POLICY

As a Roman Catholic school dedicated to the dignity of every human being, we state clearly that there can be no discrimination in administration of educational policies, admission policies or other school-administered policies based on sex, race, ethnic background, social or economic status. Since we are a religiously oriented school for the Catholic community, we give preference to members of SLCS, then to members of the Roman Catholic Church, but we also welcome members of other creeds after the Catholic community has been served.

NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the School receives a request for access.

Parents or eligible students should complete the Request for Release of Student Records and submit it to the School principal (or appropriate school official) identifying the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical

consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

**Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920**

OFFICE HOURS AND PROCEDURES

The school office is open on full days of school from 7:30 a.m. to 3:45 p.m. and on half days from 7:30 a.m. – 12:30 p.m. Summer office hours are 8:30 a.m. to 12:30 p.m., Monday through Thursday.

Please notify the school office any time your family's phone number, home address, or email changes. This information is needed for emergencies.

OPEN ADMISSION POLICY

The school has an open admission policy. No person, on the grounds of race, color, disability or national origin, is excluded or otherwise subjected to discrimination in the receiving of services. Nor does the school discriminate in hiring, promotion, discharge, pay, fringe benefits,

job training, classification, referral and other aspects of employment on the basis of race, color, disability, age, gender, or national origin.

PARENTAL COOPERATION

The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it be at school events, on or off school campus, or on social media or other public forum. Just as a parent can withdraw a child from the school if desired, the school has the right to disenroll a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

PARTIES

Classroom parties are permitted in grades PK – 8 at various times during the school year. Teachers will inform parents if there is to be a party and will provide them with the necessary information. At the teacher's discretion, birthday treats may be brought for all classmates and distributed during the day. Nothing should come to the classroom without the teacher's approval. Gum should never be included as a part of the treats. Clear drinks or juice boxes are recommended.

If parents are planning a party away from school and invitations are to be given out, an invitation must be given to every class member, or the school will not permit these to be distributed. Holiday greeting cards may be distributed in school if all students in a class receive one.

PICTURES

Each year, the school has professional photographers take individual and class pictures of our students. There is no obligation to purchase them.

Except as specifically noted in this Handbook, the school does not sponsor, oversee, or otherwise provide private tutoring, coaching, therapy or other similar private lessons or services. Parents who engage school staff members for the provision of these services do so at their own risk and expense and are hereby advised that such services are outside the scope of the staff member's employment with the school. **Parents, by executing the acknowledgment of receipt of this Handbook HEREBY RELEASE the school, the Diocese of Palm Beach, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of private tutoring, coaching, therapy or other similar private lessons or services, regardless of where they may occur.**

PROMOTION AND RETENTION

A student shall be advanced to the next grade level at the discretion of the principal, in light of the teacher's recommendation based on a student's daily performance, test results, and the ability to complete work successfully on a more advanced level. Consultation

with the parents/ guardians and the student will take place, if appropriate. Such decisions shall be based on a total evaluation of a student's growth in all areas of development.

For retention of a student, three elements are necessary:

1. Recommendation of the teacher.
2. Approval of the principal.
3. Approval/consent of the parents/guardians.

At the middle school level, students will be retained if they fail two or more core subjects. Any eighth grade student who fails two or more core subjects will not participate in graduation exercises. If a student fails 2 marking periods (59 or below) within a school year a teacher will recommend retention.

A student will be promoted upon satisfactorily completing the assigned curriculum. Failures may have to be made up by whatever method the teacher and principal deems advisable. Inability of the student to meet the requirements of the school's academic program may result in the retention of the student. Failure in two or more major subjects may be grounds for retention.

PUBLIC DISPLAY OF AFFECTION

The Catholic school promotes friendship, charity, kindness, love and respect for self and others. However, inappropriate displays of affection, such as kissing or embracing which connote more than simple friendship, are not permitted in school, at school dances, or at any school event. Those who violate these rules may be subject to disciplinary measures, including detention, suspension or expulsion. The administration reserves the right to determine what is, or is not, appropriate behavior in a Catholic school.

REPORT CARDS

Teachers will issue mid-nine week progress reports and report cards each nine-week period for every student in third through eighth grade for the first quarter. After that, reports will be issued on a need basis to students. Students in first and second grades earning a "C" or below in any major subject also will receive a progress report. These reports will be sent home with the students. These reports must be signed and returned to the teacher.

RIGHT TO AMEND

SLCS reserves the right to amend this Handbook. Notice of amendments will be sent via newsletters and will be posted on our school website

SCHOOL ADVISORY COUNCIL (SAC)

The School Advisory Council is responsible for making recommendations to the Pastor and Principal concerning school policy. The members of the board concentrate their efforts in the areas of budget and finance, curriculum, policy formulation and evaluation, communications, long range planning. Board meetings are held throughout the year.

SCHOOL ARRIVAL & DEPARTURE

Before and After School Responsibility

Students of SLCS are supervised during the school day from 7:00 a.m. to 3:15 pm. Parents, guardians and approved persons will pick up students from their homerooms from 3:15pm-3:30pm. At 3:30 students are escorted by their homeroom teacher to the aftercare.

Early Dismissals

No phone calls will be accepted as permission to release a student from school. A written note should be presented to the teacher and school secretary by 8:30 a.m. on the day of the requested dismissal. Faxes will be accepted when the following information is provided: phone number where the parent can be reached that day, and parent signature.

Please do not use cell phones during pick up and drop off!

SCHOOL – HOME PARTNERSHIP

Parents and teachers must be in a partnership for the school to successfully educate the students who are enrolled.

1. Parents can expect to be treated with respect at all times and, when concerns arise, have access to teachers and administrators at mutually convenient times.
2. Teachers and administrators can expect to be treated with respect at all times and, when concerns arise, have access to parents at mutually convenient times.
3. *Parents who have a concern should first contact the teacher directly.* If a satisfactory solution is not reached, then a three-way conference of parent-teacher-principal will be scheduled. The student will be involved in most conferences and problem-solving decisions.

This will enable the student to take ownership of his/her education, conduct, and choices.

4. A strong, cooperative partnership between home and school is an essential ingredient in effective education. The best interests and needs of the student remain paramount, yet must be balanced against the good of the community. As a partner in the process, the student is afforded the best possible educational experience.

SCHOOL-SPONSORED EVENTS

The school does not sponsor or in any way control parties or social functions at private residences. School-sanctioned events, including all field trips, excursions, or parties, are specifically identified in this Handbook or are identified in the school calendar and/or written notices generated and distributed by the school.

Parents, by executing the acknowledgment of receipt of this Handbook, HEREBY RELEASE the school, the Diocese of Palm Beach, and their corporate members, officers, employees, affiliates, and agents, from any claims or liabilities that allegedly arise from or are related to attendance at parties or social functions at private residences or from participation/attendance at events not identified in the school calendar or in written notices from the school, including field trips, excursions, or parties.

Students engaged in conduct that is contrary to the mission and philosophy of the school may be subject to disciplinary action regardless of whether the conduct occurred at a school-sponsored function.

SEARCH AND SEIZURE POLICY

The principal and his/her designee has access to any lockers, handbags, electronic devices, cell phones, book bags, desks, cars or any other object that is brought onto the campus of the school or any school-sponsored event, and may remove or confiscate any object which is illegal or contrary to school policy.

STUDENT SERVICES

Referral testing will be recommended for students who may be experiencing academic or emotional difficulties. This testing, done with parental permission, will help the school accommodate the needs of the student.

Section 504-Policy Statement

St. Luke Catholic School complies with the mandate of Section 504 of the Rehabilitation Act which prohibits discrimination on the basis of disability in certain programs and activities. Pursuant to the requirements of the Rehabilitation Act, St Luke Catholic School will make those minor adjustments that can accommodate students with disabilities to the school's educational programs and activities.

The school's designated 504 Coordinator and contact information are as follows: John Clarke, (561)775-9532. Parents with questions regarding the school's accommodations or related items should contact the 504 Coordinator. Parents may file a grievance as to any decisions related to a disability accommodation and request an internal hearing and review by sending a written notice addressed as follows:

Gary Gelo
Diocese of Palm Beach
Superintendent of Schools
9995 North Military Trail
Palm Beach Gardens, FL 33410

The internal hearing and review will seek the prompt and equitable resolution of disability discrimination complaints.

Sexting

The electronic transmission or receipt from one minor to another of any photography or video that depicts nudity may constitute illegal sexting. Students engaged in sexting will be subject to serious disciplinary consequences which may include expulsion from

school. In addition, the school administration may report instances of sexting to the Florida Department of Children and Families or local law enforcement for appropriate investigation as to violations of law.

SMOKING/VAPING

It is a violation of Florida law for any minor to knowingly possess any tobacco product, nicotine product, or nicotine dispensing device. In addition, the use of tobacco products, electronic cigarettes, and vaping carry known health risks that can be very serious. The use of any tobacco products, electronic cigarettes, and/or vaping in any form is prohibited on school property and at any school events. Violation of this policy will result in disciplinary consequences which may include expulsion from school.

SPECIAL PROGRAMS

Title I is a county program that is offered to students who need assistance and live within a certain school boundary. The teacher and guidance counselor will offer assistance to students who qualify for this support. SLCS provides identified K-3 grade students with an opportunity for support within the academic day. A school support team will meet with the homeroom teacher to identify students. Parents will be notified if their child will receive this support.

Student Attendance

A student's absence from or tardy to school interferes with their academic progress. SLCS complies with the compulsory attendance regulations set by the state of Florida.

School begins at 7:50 AM. The school building opens at 7:00 AM. Upon arriving, students report to the cafeteria for breakfast. All students are to wait in the cafeteria. Students will be dismissed from the cafeteria and escorted to their homerooms. **A student is tardy if they are not present for morning assembly.**

When a student has been absent, the school requires a written excuse from the parent or guardian. These notes should be kept on file for at least one year. A school will report “truancy” to the Department of Children and Families when there is an extended absence without written explanation from the parent.

A daily record of attendance, including tardiness and early dismissals, must be kept on every student in the school and this information must be kept permanently on file.

A student who is absent from school more than twenty (20) days in a year (or 10 days per semester in schools on a semester system) will not be promoted to the next grade unless the Principal grants an exception and determines a way in which the student may receive additional instruction.

Students out of school for an approved period of time due to a medical concern may be recorded as “Present-Medical” if they successfully cooperate with the school in a distance learning program. Approval for the extended time away from school will only be granted with medical documentation approved by the school administration. Each case will be reviewed on a case by case basis.

Tardy Policy

The final bell rings at 7:50 a.m. – if a student is not at morning assembly they must report to the office and receive a pass to class. If they reach 10 tardies per semester they will be charged a \$5 fee per tardy up to and including 15 (a total of up to \$75): on the 16th tardy, they will receive a 2- hour Saturday detention and an additional \$25 fine.

An absence of more than two hours shall be recorded as one-half day absence. This pertains to either a two-hour late arrival or early departure. No student may leave the school grounds at any time during school hours without being checked out at the office. Please make all appointments (medical, dental, barber, etc.) outside the school day, if possible. The criteria for Perfect Attendance recognition is no absences and no tardies.

An absence is considered excused if it based on illness or a death in the family. All other absences are considered unexcused. It is the parents' responsibility to notify the school when their child is absent.

Students who are absent without valid excuse for ten (10) days or more or parts of days within a semester are at risk of retention or may be required to attend summer school before being promoted. The principal and teachers will meet with the parents to evaluate the situation. Factors, such as past attendance patterns, grades, and excused versus unexcused absences will be considered. The school may ask parents to verify student illness with medical documentation such as medical reports or a letter from the doctor.

STUDENT CARE RELEASE

The staff of SLCS is concerned about the safety and welfare of all its students. A request for the release of a student from school will only be honored when the request can be verified as legitimate. Persons who are authorized to seek a student's release are the custodial parent/guardian, the noncustodial parent (who presents a certified copy of a legal document proving relationship to the student), or a designee with written authorization by the custodial parent/guardian that can be verified by the school. It is the responsibility of the custodial parent to notify the school of restrictions related to the release of a student.

STUDENT RECORDS

SLCS shall respect parental and student rights to information and to confidentiality. The school shall:

1. Provide parents/guardians access to records directly related to the student (i.e., the cumulative record card, health records);
2. Permit parents/guardians to challenge these records and to secure amendment, if any are inaccurate or misleading; and
3. Obtain the written consent of parents/guardians before releasing personally identifiable information from students' records.

Parental rights extend to either parent unless the school has been provided with evidence that there is a court order, statute, or a legally binding document relating to matters, such as divorce, separation, or custody, that specifically revokes these rights. It is the responsibility of the parent(s) to provide the school with any changes to the legal document in writing.

SUNDAY SERVICE MINISTRY REQUIREMENT

Sunday service ministry is required for all St. Luke students in 4th through 8th grades who are receiving the discounted Catholic tuition rate. Students must choose ONE of the following parish ministries: altar server, choir, lector, or usher. 6th, 7th and 8th graders may choose tech support as their service. Students who choose choir will be given a schedule of rehearsals, attendance at Mass and asked to sign an agreement about commitment and absence. Students will be required to volunteer one Sunday a month at their home parish, up to ten Sundays in the school year. Students will sign up at the beginning of the school year. Families will help students with their decisions and sign the appropriate forms for this requirement. Families not meeting this requirement will not be offered the discounted catholic tuition rate next school year.

TELEPHONE/CELL PHONES

In order to preserve the learning environment and maintain maximum time-on-task, classroom interruptions must be at a minimum and only for emergency use. **Cell phones are not allowed to be used during the school day. All cell phones are turned into the homeroom teacher at the beginning of the school day. The teacher will secure the phones and return them to the students at the end of the day.**

To use the office telephone, students must present authorization from their teacher to the principal's office. The office telephone is a business phone and students are permitted to

use it only in the case of an emergency. Forgotten homework, textbooks, or athletic equipment, etc. do not constitute emergencies. Arrangement for after school visits with friends should be made at home. Unless an emergency arises, neither students nor teachers may be called to the telephone during school hours.

TESTIFYING IN DIVORCE OR CUSTODY PROCEEDINGS

The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings, which may in any way involve the dissolution of marriage or the determination of parental/custody rights.

In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

TEXTBOOKS

All students will be issued appropriate textbooks in the basic subjects. Because they are so valuable and costly, books must have the added protection of a book cover.

Each student should follow these simple procedures for good care and handling of books:

1. No scribbling, drawing, etc. on the outside or inside of books.
2. No writing in or on edges of non-consumable books.
3. Turn pages correctly.

Students and their parents are accountable for all issued textbook/ (CD's) and can be required to pay for lost or damaged books. Payment for destroyed property must be made by the end of the school year or report cards will not be released.

THREATS OF VIOLENCE

The disciplinary consequences for a student whose verbal or written comments, including email messages, that threaten serious bodily harm to another student or member of the faculty or staff or destruction of property, may include, but not be limited to:

1. Immediate suspension from the school;
2. Treatment or consultation by a psychologist or psychiatrist at the parents' expense and/or by the school counselor, both of whom may be asked to submit a written evaluation. If it is determined that the child was serious about the threat and has the capacity to carry it out, the child may be expelled from the school. If it is determined that the child did not seriously intend to do harm to others, the child may be allowed to return to the school, at the discretion of the school principal.
3. If allowed to return to school, the child may be placed on probation with an indication that, should a similar threat occur, the child will be expelled from school.
4. The school may submit an informational report to the police

TRANSPORTATION

Parents hereby acknowledge and agree that the school does not provide or arrange for student transportation to or from school, except as specifically set forth in writing by the school. Student transportation to and from school each day is a parental responsibility. The school does not authorize or endorse any private transportation arrangements. In limited and documented circumstances, a parent may engage a commercial transportation company to transport a student from school; however, any such engagement requires the written authorization of the school and the execution of school documents allowing for such an arrangement.

In Students may come to school by car, bus, bicycle, or walking. **No skateboards, rollerblades, or “heelies”** are allowed at school. Please use bicycle locks, as the school cannot be responsible for lost or stolen bicycles. If a child rides his/her bicycle to school they must wear a helmet. .

UNDOCUMENTED STUDENTS

A student’s enrollment and/or graduation from school does not confer a legal status nor does it serve to regularize an undocumented student. Although the Diocese of Palm Beach may assist with the completion of an I-20 form, the school does not guarantee or confer any privileges or rights available to documented legal residents. Parents should consult with immigration legal counsel if they have any questions as to immigration status.

USE OF PHOTOS

The school reserves the right to use student or parent photos in any school or Diocesan publication including but not limited to print publications, videos, or websites including Facebook, Twitter and other social media websites. Any parent who does not want his or her child’s picture or video to be used accordingly must notify the school’s principal in writing prior to the beginning of the school year. **By executing this acknowledgement of receipt of this Handbook, Parents HEREBY CONSENT, authorize and grant permission to the school, the Diocese of Palm Beach, and their agents, employees or duly authorized representatives to photograph or videotape students and parents and CONSENT to their publication for any purpose deemed proper by the school, including but not limited to, use on the internet.**

Additionally, Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Diocese of Palm Beach, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to the use of student or parent photos.

VISITORS

The safety and security of our children is of utmost importance. All visitors, including parents and guardians, must check in at the office. Any items, lunch money, books, etc. that you might bring for your child must be brought to the office and we will see that your child receives them. Student visitors are not permitted.

VOLUNTEERS

The assistance of parents as volunteers is vital to the school. This help is always needed and appreciated by the faculty and students. All volunteers must be fingerprinted by the Diocese of Palm Beach and attend Protecting God's Children Class. Parents may volunteer in the library, lunch program, classroom, playground, and other areas. Each family is expected to volunteer 25 hours each school year. Families that do not participate in volunteering will be expected to pay \$500.

WEAPONS POLICY

Weapons are not permitted anywhere on school grounds. Anyone who brings a weapon on school grounds, who is in possession of a weapon, or who threatens others with a weapon may be expelled from the school. Any item used to threaten or cause bodily harm may be considered a weapon.

The school website is www.stlukepalm Springs.org Posted on this website is basic information about the school.

WITHDRAWAL FROM SCHOOL

When withdrawing a student from the school you should notify the school office in ample time of departure. Letter of Permission for Student Electronic Email Access

Dear Parent/Guardian and Students:

As we continue to expand our STEM program and 21 century learning, St Luke Catholic School, A Notre Dame ACE Academy is pleased to offer Google email access to students in grades 3 through 8. To gain access, a student under the age of 13 must obtain parental permission and must return this form, signed by a parent or guardian, to their school office. This form is intended to be informational as well as to seek your permission.

Access to a Google email account will enable students to communicate and collaborate with students and teachers. Additionally, we will be able to fully integrate our chromebooks with Google educational apps. While our intent is to make email available to further educational objectives, parents/guardians should know student email addresses will have restrictions on what can be received. St Luke uses very powerful filtering tools and makes every effort to block inappropriate content; however, technology is ever evolving. School email shall not be used for social or personal reasons. If a student receives any inappropriate emails, he/she must report this to an adult immediately. Therefore, it is important for students to accept responsibility for their behavior. We believe that the benefits to students from email access outweigh any disadvantages. Students will be trained at the school about proper email etiquette as well as online and email safety. Your student's email account will allow them to become fully engaged in our school learning community.
