## Mrs. Lopez's Weekly Message

Unfortunately, WT Café's lunch services will be reduced to only two times per week after January 31<sup>st</sup>. We are in the process of searching other options to provide you with opportunities to purchase a healthy lunch at school. Please be patient and understanding as we go through the process. If you have any recommendations for lunch services, please email them directly to me so that I can research these possibilities and select the best option for our school. Thank you for your understanding during this transitional time.

Blessings,

Mrs. Lopez

## Pre-K 3 year olds

We are in the process of conducting research to possibly provide our community with a program for pre-kindergarten age 3. As part of the preliminary stage of this, we are asking if you would simply send us an email and let us know if you would be interested in sending your 3 year old child to St. Luke starting in August. Please note, child must be age 3 by September 1, 2017. If you are interested, please email Mrs. Martinez ([maria.martinez@stlukepalmsprings.com](mailto:maria.martinez@stlukepalmsprings.com)) with the name and date of birth of your child.

### NWEA/MAP Testing

Our students are participating in the NWEA MAP (Measures of Academic Progress) testing over the next couple of weeks. The assessment creates a personalized assessment experience by adapting to each student's learning level—precisely measuring student progress and growth for each individual. This testing is the second of three assessments that will happen this school year. Please be sure your children get sufficient rest, eat a good breakfast, and come to school on time in order to do their personal best on the MAP test.

### Registration for 2017-2018

Student registrations for the 2017-2018 school year will begin this week. Save some money by taking advantage of early registration and registering before March 31, 2017.

## Mensaje Semanal de la Sra. Lopez

Queridos Padres de St. Luke,

Lamentablemente, los servicios de WT Café serán disminuidos a solamente dos veces por semana después del 31 de enero. Estamos en el proceso de buscar otras alternativas para proveerle a usted la oportunidad de comprar comida saludable en la escuela. Por favor sea paciente y comprensivo mientras atravesamos el proceso. Si usted tiene alguna recomendación respecto, no dude en enviarme un correo electrónico para poder explorar esas posibilidades y seleccionar la mejor opción para nuestra escuela. Gracias por su comprensión durante este tiempo de transición.
