

# Picture Day

is Tuesday September 22, 2020

BACK TO SCHOOL

## St. LUKE CATHOLIC SCHOOL

We have implemented all safety protocols during our Picture Day sessions to ensure the wellbeing of students, staff and our photographers. This includes recommended use of face masks for students and staff being photographed. Mask may be removed only when the student or staff member is being photographed. We've minimized the use of props and common surfaces and will implement the safe use of sanitizers on surfaces between each individual session when needed.
